Dear Sirs

LANGWORTH – A158

Lincolnshire County Council recently received a request to introduce a speed limit at the above location.

Investigations have shown that the location meets the requirements of the County Councils' speed limit criteria.

Speed readings have indicated that a 30mph speed limit is appropriate for this location and accordingly we are proposing to introduce a 30mph speed limit in the centre of Langworth, a 40mph speed limit will remain in place on the outskirts of the village.

The proposal is shown on the attached plan and I look forward to receiving any comments you may wish to make. If I do not receive a response by 6 July 2020 I will assume that you have no objections to the proposal.

Kind regards

For Programme Leader Minor Works & Traffic
