61.0	Open Forum			
61.1	A member of the public expressed concern over the expected increase in traffic that is expected from recent planning applications for developments at Barlings Lane. The member of the public said that its no good getting the land built on and leaving no room for a road. and suggested a relief road could be built to divert traffic away from Barlings Lane. MH explained that the parish council's comments have been sent to WLDC however WLDC will still accept and consider comments from the public.			
	The member of the public said this could be proposed in a Neighbourhood Plan. MH explained that the Parish Council has advertised on several occasions for volunteers to assist with formulating a Neighbourhood Plan, but no one has come forward.			
	NLDC Cllr Welburn said; "the Parish should get some protection from the Central Lincolnshire _ocal Plan which limits new development to 15% of the existing"			
61.2	that there are two vacancies on the council and applications are particularly welcome from younger people.			
61.3	A member of the public noted that the parish council are considering the installation of Vehicle Activated Signs and said: "speed cameras would be more effective at slowing down the traffic."

66.0	Clerks Report	
	 a) The clerk presented two financial reports: 1) A bank reconciliation report showing the income and expenditure for the period ending 23/9/2019 which also lists the accounts for payment was read by the clerk. 2) A budget report that compares the budget, variance, projection to money spent between 1/4/19 and 30/9/19. 	
	Both reports are appended to these minutes.	
	JM queried whether it is necessary to have a monthly play area inspection and suggested a bi-monthly inspection would reduce costs. MH said the council should maintain best practice by RoSPA and continue with monthly inspections. No action proposed at the present time, but MH advised; a good point has been made and if Members wish to discuss the matter further ask the clerk to put an item on the agenda of a future meeting.	
66.2	b) Payments were approved as indicated in the financial report. Proposed by Councillor Machin and Seconded by Councillor Bowser. All in favour. Clerk to make the payments by BACS. Members also approved the transfer of £1,000 from the deposit account to the current account.	Clerk

68.2	b) Application 140011 Councillors considered the application there were no comments.	
69.0	Vehicle Activated Signs (VAS)	
69.1	Progress report – MH reviewed the situation pointing out there are many areas which would benefit from the installation of a VAS sign. The one site which comes up time and again is the speed of West bound traffic impeding traffic as it turns East out of Barlings Lane.	
	A lengthy discussion took place considering the cost of a VAS sign, the type of sign, the and the siting of the sign. A permanently fixed speed indicator device was suggested.	
	Clerk has invited an LCC officer to meet the councillors to discuss siting and costs. A meeting has been arranged for Monday 14 th October at the Memorial Hall. Members were asked to	
	26	

	attend. Clerk to confirm the meeting with LCC and make enquiries about LCC adopting a VAS sign in return for the payment of a commuted sum.	Clerk		
70.0	Standing Orders			
	Members were asked to adopt the latest LALC Model Standing Orders. MH proposed that the council accept and adopt the standing orders as proposed. JM seconded the proposal. Vote: all in favour. MH reminded councillors that they must work to standing orders and if during a meeting any councillor feels that standing orders are not being followed, they should raise the matter as a point of order. This is acceptable practice aimed to ensure council work within the rules.			
71.0	County and District Councillor Reports			
	Comments on reports as previously circulated by County Councillor Fleetwood.			
	MH asked; are residents a customer of LCC? And are LCC staff salaries/bonus linked to performance? The reason being is that he raises an issue about flooding which occurs every year and has reported it several times and no action has been taken to resolve the issue. LCC appear to close reports without informing the customer or they send a report via Fix My Street saying "all necessary work has been completed" MH to send a report to Clir Fleetwood.			
- 23	Cllr Welburn suggested making an official complaint.
